## Labor Bank Project Killed.

CHICAGO, Oct. 15.—The Union Labor Bank of Chicago was sacrificed on the altar of frenzied finance at a meeting of the Chicago Federation of Labor yesterday. By an overwhelming vote the delegates laid on the table a report submitted by a banking committee in favor of establishing and supporting such an institution. Before the proposition was considered it was faked and set off by a galling fire from many speakers, financial schemes were linked with graft and banking was declared entirely outside the sphere of organized labor.

## Shot by Father and Sons.

CHICAGO, Oct. 15.—After he had been stabbed and badly wounded by Joseph Toscano while engaged in a fight last night, Vito Fodilo, fifty years old, drew a revolver and fired at Toscano. As he fell in the street Fodilo's two sons, Peter, twenty years old, and Anthony, fourteen years old, who witnessed the fight, both drew revolvers and fired several shots at the body. Toscano was dead when the police arrived. Whether Fodilo or his sons killed Toscano is puzzling the police.

## Killed Wife and Himself.

BUFFALO, Oct. 15.—Nathaniel L. Richmond, a well-to-do farmer, who lived at North Collins, near here, shot and killed his wife yesterday as she lay asleep in bed with her two-year-old babe. He then shot himself and died soon after. Melancholia is said to be the cause. The babe, which was by its mother's side, was deluged with blood but unharmed.

## Gov. Folk In Philadelphia.

PHILADELPHIA, Oct. 15.—Gov. Joseph W. Folk, of Missouri, who will address a Good Government mass-meeting to-night under the auspices of the City Club, a reform organization, reached here early today. He was met at the Pennsylvania Railroad Station by members of a reception committee and escorted to his hotel.

## WILD DUCKS COME BACK.

Reappear in Central Park After Two Weeks' Absence.

Director Smith, of the Central Park Zoo, is rejoicing to-day over the unexpected return of the family of wild ducks that for a year or more has occupied the lower lake in the park. Two weeks ago the family, consisting of the mother and seven youngsters, mysteriously disappeared. Yesterday the family was contentedly swimming on the lake as usual.

Mr. Smith is of the opinion that they were unable to resist the call of some flock of wild ducks passing South, but that after they had joined in the flight they were overcome by the stronger call from little old New York and, turning about, "hot-winged" it for Central Park.

## POLICE HIT BANKERS.

New Zealand Sheep Buyer Turns Over \$1,230 for Safekeeping.

## Women's Jersey-Top Petticoats.

A Special Demonstration This Week.

The manufacturers of the Women's Jersey-Top Petticoat have sent here a demonstrator, who will be present in the Petticoat Store the balance of this week, explaining the many advantages of this garment.

The top part of these skirts is of Jersey. This gives warmth without adding to the weight that is suspended around your waist.

This Jersey, being very elastic, readily moulds to fit the figure, allowing your skirt to lie with a smoothness absolutely impossible when you have on two or three skirts. With this Jersey-Top skirt, you wear one petticoat instead of two.

More comfort, more warmth and more freedom of movement—less discomfort, less bother—neater appearance. Made in several styles, all of them attractive. Prettily flounced and as graceful as any skirt. Priced at

**\$1 \$1.50 \$1.95 \$2.50 \$2.95**
